EMERGENCY COMMUNICATION

1. Play will stop and teams will return to their respective sidelines
2. Ranking Chain of Command on site personnel will identify and contact EAP coordinator on site to offer any needed support. Often this will be the head coach of the injured player's team.
3. Designated EAP Coordinator on field will initiate appropriate EMS response (911 Police/Fire/Paramedic).
4. Designated EAP Coordinator will direct EMS to the most accessible access point.
5. Designated EAP Coordinator will meet EMS at the access point.
6. Ranking FYF Chain of Command member and/or head coach and trainer will remain with the injured athlete until EMS arrives.
- 7.
